

Location: Olympia, WA

Position: Orthopaedic Physician's Assistant (PA-C)

Institution: Olympia Orthopaedic Associates

Join a growing Orthopaedic private practice! We have an opportunity for a Physician Assistant to work in our new Rapid Orthopaedic Clinic, similar to an urgent care setting. Prior Orthopaedic and urgent care experience is required.

As part of the Rapid Orthopaedic Care clinic, you will work to triage patient injuries, complaints, or complications and provide a plan of care for recovery. Under the supervision of a physician, you may provide injections, revisions, splinting and casting as necessary. Hours of the clinic cover seven days per week from 10am to 7pm with most PAs working four days per week.

Olympia, Washington is nicely located between Seattle, Washington and Portland, Oregon with access to a variety of activities including hiking, biking, skiing, fishing, camping, and much more. The cost of living is moderate and the schools are ranked at the highest level by GreatSchools.com.

We offer top level compensation, and an unmatched benefits package. We are located in the Pacific Northwest in a family friendly community with numerous outdoor and recreational opportunities.
