

# RAPID ORTHOPAEDIC CARE

*FOR ALL YOUR MUSCULOSKELETAL NEEDS*

We understand that bone, joint, and muscle injuries and conditions are painful and need to be treated promptly. Designed for all your musculoskeletal needs, we proudly offer our walk-in Rapid Orthopaedic Care clinics.

Our providers at our clinics offer immediate care for urgent injuries, such as sprains and strains, dislocations, fractures, and sports injuries as well as injured, painful, or swollen joints. Our services include X-ray, casting and splinting, and DME.

At Rapid Orthopaedic Care, we specialize in treating injuries and conditions in the following areas:

**Shoulder | Elbow | Hand & Wrist | Hip | Knee | Foot & Ankle | Back, Neck, & Spine**

**Westside Hours: 10:00 a.m. - 7:00 p.m., 7 days a week**

**Questions or concerns about your recent surgery?  
Please call our triage line at (360) 570-3460 x 3225
